

## 2008 Nomination Form

This Nomination Form replaces the Summer Enchantment Circuit (SEC) Sponsorship form previously required for year end awards given by the Amateurs.

To be eligible for year-end awards given by the NMAQHA, a nomination fee of \$30.00 must be paid by you or a sponsor. The \$30.00 Nomination Fee is put into the Amateur's account that pays to put on the SEC show and pay for year end awards.

The Amateur Association is responsible for putting on SEC and we count on your support and participation to be successful.

You are required to work/show at SEC to be eligible for Amateur year end awards. A \$100.00 hardship fee may be paid in lieu of the SEC work/show requirement.

**Your points will not count towards Amateur year end awards until you pay the Nomination Fee so please return before the show season starts to ensure that your points will be counted.**
